MOUSA WAZIR

Software Engineering Graduate • Frontend Developer • Aspiring Master's Scholar

Peshawar, Khyber Pakhtunkhwa, Pakistan • +92 333 1519644 • [mousa.wazir321@gmail.com] • [github.com/mousa-wazir]

EXECUTIVE PROFILE

Software Engineering graduate from CECOS University with strong technical competence in modern frontend web engineering (React.js, modern JavaScript), e-commerce product architecture, and cross-cultural client management. Combines rigorous university foundations with an intensive 1-year web development diploma from Saylani Mass IT Training (SMIT), hands-on frontend internship experience at DevBazm, and practical international sales operations. Highly proficient in modern developer workflows, multimedia production, and modern generative AI workflows. Actively preparing for graduate studies (MSc in Software Engineering / Computer Science) abroad to advance technical capabilities in scalable software architectures and human-centered computing.

EDUCATION

Bachelor of Science in Software Engineering (BSSE) — **CECOS University of IT & Emerging Sciences**
Peshawar, Pakistan — Graduated / Final Year

- **Final Year Project (FYP):** Localena – Conceptualized, architected, and engineered a localized e-commerce marketplace platform dedicated to connecting regional cottage industries and artisans directly with consumers. Spearheaded frontend development using React.js and engineered backend database schemas.
- **Core Coursework:** Data Structures & Algorithms, Object-Oriented Software Engineering, Database Systems, Web Technologies, Software Design & Architecture, Operating Systems, Computer Communication Networks.

Higher Secondary School Certificate (F.Sc Pre-Engineering) — **Peshawar Model Degree College**
Peshawar, Pakistan — Intermediate

- Completed academic curriculum with major concentrations in Advanced Mathematics, Physics, and Chemistry.

Secondary School Certificate (Matriculation – Science Group) — **Institute of Modern Sciences**
Peshawar, Pakistan — Graduated: 2019

- Completed foundational secondary education with distinctions in sciences and computer applications.

KEY TECHNICAL PROJECTS

Localena – Regional E-Commerce Marketplace Platform — **University FYP**
React.js, SQL, REST APIs, Modern CSS

- Architected a multi-vendor marketplace tailored for local vendors, featuring real-time product discovery, categorized catalog management, and a streamlined mobile-first layout.
- Implemented dynamic state-driven search/filter mechanisms and integrated responsive UI components with backend endpoints.

Interactive Web Applications & Developer Portfolios — **Personal Development**
JavaScript (ES6+), React.js, Web APIs

- Created clean, component-based web applications hosted on cloud platforms, showcasing responsive layouts, reusable modules, and modern UI/UX design patterns.

TECHNICAL & PROFESSIONAL SKILLS

Languages & Core Tech:	JavaScript (ES6+), React.js, HTML5, CSS3, SQL, C++ (Foundations)
Developer Tools & Git:	Git, GitHub, VS Code, RESTful APIs, Chrome DevTools, npm
UI/UX & Graphic Design:	Figma, Canva, Adobe Photoshop, Adobe Illustrator, CorelDraw
Video & Media Production:	CapCut (Desktop & Mobile), Wondershare Filmora, Adobe Premiere Pro, InShot
Generative AI Workflows:	Prompt Engineering, ChatGPT, Google Gemini (Research synthesis, thesis framing)
Office & Productivity:	Microsoft Office Suite (Excel, Word, PowerPoint), Google Workspace
Spoken Languages:	Pashto (Native), Urdu (Bilingual / Fluent), English (Professional Working Proficiency)

PROFESSIONAL EXPERIENCE

Frontend Web Development Intern — **DevBazm**
Remote — Nov 2025 – Present

- Architect reusable, component-driven user interfaces in React.js, ensuring high performance, responsive breakpoints, and cross-browser stability.
- Collaborate closely with designers to convert complex Figma mockups into clean, semantic, and maintainable web interfaces.
- Participate in agile team workflows, utilizing Git and GitHub for version control, code branching, and structured pull-request reviews.

International Sales & Client Relations Agent — **Afridi Trading Japan**
Remote / Hybrid — 4 Months

- Managed client acquisition and negotiation for international vehicle export transactions, communicating with diverse overseas buyers.
- Handled customer queries, verified transaction records, and ensured prompt documentation processing for cross-border shipments.

Property Consultant & Sales Associate — **LMAR Marketing / Real Estate**
Peshawar, Pakistan — June 2026 – Present

- Provided strategic advisory services to clients evaluating residential and commercial real estate investments in the Peshawar region.
- Formulated targeted digital marketing strategies and coordinated structured client relationship management (CRM) pipelines.
- Conducted comprehensive property walkthroughs, market feasibility analyses, and contract negotiations.

Digital Media Specialist & Social Media Manager — **Freelance**
Peshawar, Pakistan — 2023 – Present

- Directed full-cycle video production, editing, and publishing for digital channels utilizing CapCut (Desktop & Mobile), Filmora, and Premiere Pro.
- Produced tailored short-form and long-form video content (vlogs, thematic videos) and created brand marketing banners in Canva and Photoshop.
- Managed content schedules, analytics tracking, and community audience engagement across social media handles.

Classroom Instructor / Teacher — **Bright Future School System**
Peshawar, Pakistan — 2022 – 2024

- Instructed core academic curriculum, designed interactive learning activities, and managed student development evaluations.
- Developed strong public speaking, pedagogical, and interpersonal communication skills through daily classroom facilitation.

SPECIALIZED TRAINING & CERTIFICATIONS

Web & Mobile Application Development Diploma (1-Year Program) — **Saylani Mass IT Training (SMIT)**
Peshawar / Virtual — Batch 3 (Roll: WMA-235825)

- Completed comprehensive year-long curriculum covering modern JavaScript (ES6+), React.js, responsive web design, asynchronous programming, component lifecycle, and state architecture.

Technical Certifications & Professional Development — **Multiple Credentialing Bodies**
National & International — 2014 – 2026

- **Cisco Networking Academy (2026):** Introduction to Modern AI Certification – neural networks, machine learning paradigms, and data applications.
- **DigiSkills Training Program (2023):** Adobe Illustrator & Professional Video Editing Certification (Govt. of Pakistan Initiative).
- **MCI Peshawar (2020):** Certified in Adobe Photoshop & CorelDraw for layout design and digital vector imaging.
- **English Language Proficiency (2015):** Advanced Level 2 Course with distinctions in grammar, oral presentations, and composition.
- **Office Automation Diploma (2014–2015):** In-depth training in Microsoft Word, Excel, PowerPoint, and database fundamentals.
